## CITY AFFAIRS.

### Ordinance Committee Passes on LaBelle Ordinance with

### FAVORABLE RECOMMENDATION

A Street Thirty-six Feet in Width Along the South Bank of Caldwell's Run to be Given in Lieu of the Streets to be Occupied—Police Committee Discusses the Broad Contract—Grades Fixed on Fourteenth Street—Other Public Business.

The city council committee on ordinances met last night, at the public building. Chairman Baird occupied the chair and the committee's clerk, "Tom" O'Brien, was at the desk. Of the committee, the following members were present: Messrs. Watson, Wetsgerber, Williams, List and Haslett. Among interested persons present were President Cecil A. Robinson, of the LaBelle iron works; General Alfred Caldwell, City Solicitor Nesbitt, Councilmen Fair, Chew, Kindelberger and Horkheimer.

The first ordinance considered was that accepting and ratifying the act of the legislature, passed February 24, 1891, entitled, "An Act of Wheeling." The ordinance was recommended favorably as a matter of course, the matter having been overlooked in some way.

The ordinance, drawn up by the city solicitor, requiring the Baltimore & Ohio Railroad Company to erect and maintain safety gates at the crossing, corner of Sixteenth and Main streets, was recommended for passage by council. It goes into effect August 1, 1897. Failure to comply involves a fine of \$5 and costs. When constructed, the gate must be approved by the city's board of public works.

The ordinance reducing the license on billiard tables from \$25 to \$15 for the first table and \$10 for each additional table, was approved as drawn up.

Then came the ordinance giving to the LaBelle iron works the use of that part of Thirtieth street, lying between Wood street and the alley intersecting before McCulloch street is reached. The instrument was read by the clerk and on motion of Mr. Watson was recommended favorably. In lieu of the ground acquired, the LaBelle provides a street on the south side of Caldwell's run, between Wood and McCulloch streets, thirty-six feet wide.

At 5:45 p. m. the committee adjourned.

### Police Committee.

The council committee on police met in the office of Chief Bennett and transacted routine business. Chairman Davidson presided, and the following members were present: Messrs. Arndt, Ebeling, Bucey, Chew and Horkheimer.

Bills were recommended for payment as follows: City prison, \$126 32; police, \$134 14; total, \$260 46.

The report of City Prisoner Bennett for the month of April, a synopsis of which has been printed, was read and approved by the committee. Mr. Horkheimer presented the proposition of Mrs. Emmert to supply the city prison with bread at three cents per loaf, it being represented that the loaf weighs one and one-quarter pounds. Mr. Bucey presented F. G. Strohmman's bid for supplying one pound loaves at two and three-quarter cents. It was brought out that Mrs. Emmert is in need of the patronage and a councilman made the plea of charity. Finally the matter was referred to Clerk O'Brien, who will investigate and report which bread is cheaper.

### Scales Committee.

The committee on scales met in the office of City Clerk Watkins. Chairman Megall presided and Messrs. Ahl, Hazlett and List, of the committee, were present. Applications from forty persons for positions as weighers in the employment of the city, were in the hands of Clerk O'Brien, but it was decided that the applications shall be presented direct to council. Bills aggregating \$286 92 were recommended for payment. The bid of Mattheus Almyer, county scaler of weights and measures, for testing city scales, was laid on the table. It is an old bill which the committee on scales of the last council refused to recommend for payment.

### Streets, Alleys and Grades.

The committee on streets, alleys and grades met after the committee on ordinances had adjourned, and fixed grades on several streets, including one at the corner of Fourteenth and McCulloch streets, East Wheeling, the site of the annex to Clay school about to be erected.

### In Clerk Robertson's Office.

Yesterday in Clerk Robertson's office, a deed was recorded by which Alonzo Barkley (widower), transfers to J. R. Hissom, in consideration of \$8,000, ground on Wheeling Island, corner of Penn and Fink streets.

Eight deeds of trust were recorded.
